FEDERAL GAME LAW  
VIOLATOR HEAVILY FINED.

- - -

That it is becoming a serious matter to violate the Federal Migratory Bird Treaty Act is evidenced by the fact that a violator in New Jersey was recently fined \$200 and sentenced to 10 days in jail for killing wild geese after the close of the Federal open season. The geese were killed during the latter part of February, whereas January 31 is the last day that the Federal law permits the hunting of migratory wildfowl, including ducks and geese, anywhere in the United States.
